

## FOREWORD

“The memories we treasure  
time after time...”

*The Spirit of Christmas* is a collection of moving contemporary and traditional Christmas songs focused on the love, hope, peace, and joy that came to all of us through the birth of Jesus Christ so many years ago in Bethlehem. *The Spirit of Christmas* is a fulfillment of Old Testament Prophecy and the continuation of God's plan to restore the fellowship with Him that had been broken through the sin of Adam and Eve.

### Author's Note

While the facts about Angels contained in the play are accurate, their conversation is obviously done with humanistic attributes and not necessarily angelic, but we hope the message is clear.

## WELCOME!
